

# 51, 51 MAL IN G

(Text & Musik: Michael Mikel Prinz 2016,2021)

Singing this song is just for fun It's all about 51  
Singing this song is just for fun It's all about 51

Working on a song loving the chords  
thinking of lyrics don't find words  
Probably you will never recognize  
if it's stupid or if it's wise

Whether it's about love or peace  
or about war or refugees  
Whether it's false or it is true  
all these words you don't listen to

I like it just to sing along  
there 51 reasons for this song  
But why should I tell you about  
if you don't listen even when I shout

The lyrics do not really matter  
they don't make this song even better  
However if you don't listen to words  
you may love the song and the chords
